NOTES ON THE OBITUARY INDEX

The index consists of an alphabetical list of people whose obituaries were published in the Ithaca Journal during 1983, given as follows: last name, given name(s), date(s) of obituary notices. Nicknames are given in parentheses. Some news items about area-related deaths are also included. Page numbers are not listed, because obituaries almost invariably appear on pages 4, 5, or 6. The location of the obituaries is noted on the front page of each issue.

The following titles are given in parentheses where appropriate:

(CAPT)	Captain
(DAME)	Dame
(DR)	Medical doctor
(LANCE CPL)	Lance corporal
(REV)	Reverend
(SGT)	Sergeant

Not included are (MR), (MRS) (except where only the husband's name is given), (PROF), (JD) or any doctor's degrees other than medical doctors.

Area communities cited in the obituaries are listed on the following page. Following the list of communities is some statistical information:

(a) The number of deaths at each age; male, female and total. (If the age is not listed, there were no deaths at that age.)

(b) The median ages at death, the means, and the standard deviations; male, female, and overall. Also included are the national average ages at death for 1983.

Obituaries for six centenarians were published in 1983. They were:

Phene Austin - 100
Grace B. Doane - 100
May S. Bloom - 101
Nancy B. G. Skilling - 101
Jane Doyle Coon - 102
Alice M. Arden - 106

While every effort has been made to make this Index accurately represent the information in the Ithaca Journal, the authors cannot guarantee that the Index is error-free. They assume no responsibility for inaccuracies in the original material.
