PUBLISHER'S NOTICES.

G. G. Knibbs, manufacturer of Boots and Shoes, 13 Lewis Street, Binghamton, N. Y., publishes a humorously illustrated card on page 216. We do not hesitate to say that the conception of the artist only justly conveys the idea of the reasonable figures at which the goods of Mr. Knibbs are disposed of. The culprit in the picture, all will agree, deserves a good *booting*, and all will likewise agree that Mr. K. is an adept in that profession. If he don't get *fits to boot*, we are mistaken in our estimate of the ability of Mr. Knibbs.

Conner & Orr, General Blacksmiths and Horse Shoers, Binghamton, print a card on page 228. Messrs. C. & O. do a general Blacksmithing and Horse Shoeing business, and are prompt and reliable in the execution of all orders. Mr. Conner is the proprietor of Conner's Celebrated Hoof Ointment, which is said, by those who have tried it, to be unexcelled as a remedy for diseases of the Hoof.

Miss Mary A. Lawton, Fashionable Dress Maker and Tailoress, 35 Hawley Street, Binghamton, publishes a card on page 212. Those requiring her services in either of the above branches, will find her prompt and careful in executing their orders.

Dr. C. A. Perkins, Dentist, 67 Court Street, Binghamton, N. Y., thoroughly understands his business and will perform all operations in a manner to suit the customer. Nitrous Oxide Gas will be administered when desired. See card on page 212.

Hobbs Bros., manufacturers of Fine Carriages, Nineveh, N. Y., print a card on page 216. Their work is all manufactured from the best material by competent workmen, and always gives satisfaction. They also deal in Carriage Goods.

Chas. Kilmer, dealer in Stoves, Tinware &c., Crosby Block, 39 Hawley Street, Binghamton, keeps a good assortment of all wares in his line. If you want a good Cook or Parlor Stove at a reasonable price, call on Mr. K. Peddlers are supplied at the lowest rates. See card, page 216.

John Riley, dealer in Dry Goods, Groceries, Boots, Shoes, Flour, Feed, &c., Castle Creek, N. Y., is prepared to supply his customers with a great variety of goods at reasonable prices. See his advertisement on page 212.

D. I. Bouck, proprietor of Bouck's Hotel, at Binghamton, makes his bow on page 230. This is a new Hotel, recently opened, and has been fitted up with every convenience for the comfort of guests. It is conveniently located, near the Erie Depot, and under the management of Mr. Bouck, is giving good satisfaction. A good Livery is connected with the house; also stabling for the accommodation of horses.

Nelson Bowker, Builder, Binghamton, N. Y., prints a card on page 223. Mr. B. gives his personal supervision to the erection of all buildings entrusted to his care, and being an experienced workman, he allows no work to go out of his hands imperfectly executed. Jobbing promptly attended to. His shop is in J. S. Wells' old stand, on Main Street, first door west of the Congregational Church.

J. S. Frear, Furnishing Undertaker, 6 Court Street, Binghamton, N. Y., publishes a card on page 228. He keeps a good assortment of Undertaking goods of all kinds, including Masonic, Odd Fellow and Fire Department Emblems and will serve his customers to their entire satisfaction.

PUBLISHER'S NOTICES.

The Binghamton Times, advertised on page 302, is an able weekly paper, advocating the principles of the Republican party. Since their card was printed, this paper has undergone some change, both in its form and management. Mr. Watson has retired from the proprietorship, though still having charge of the Job Department of the office and contributing to the Local columns of the paper, and has been succeeded by Messrs. E. H. Purdy and D. E. Cronin, under the firm name of Purdy & Cronin, the latter having charge of the Editorial columns. The *Times* is now issued in an enlarged form, in folio style, instead of quarterly as formerly, and presents a very creditable appearance. The variety and character of its reading matter give evidence that the publishers are endeavoring to make it a live "family paper," and their efforts will no doubt be appreciated by the citizens of Broome County and vicinity.

Alex. A. Swinton, Nichols, N. Y., dealer in Hardware, Stoves, Tinware &c., advertises on page 346. His stock of Hardware, Tin, Copper &c., is varied and complete, and if you cannot get a Stove to suit you here, both as to quality and price, you must be hard to please. Among his stoves will be found the celebrated American Cook Stove and American Base Burner. Mr. S. is also agent for the Cayuga Chief Mower and Reaper, and E. M. Bailey Plows.

C. Lounsberry & Bro., proprietors of Steam Saw and Grist Mills, situated two miles south-east of the village of Nichols, in Bradford Co., Pa., print a card on page 346. These mills are newly built and are fitted up throughout with the most approved machinery, which is driven by an engine of 75 horse-power. Their facilities therefore, it will be seen, are quite ample to fill all orders in their different lines in a prompt and satisfactory manner. Call and see for yourself.

Patrick Maloney, better known as "Pat Maloney," dealer in Groceries, Provisions, Wines and Liquors, Page Street, Owego, advertises on page 358. We take pleasure in calling the attention of our patrons to this store, as they can always find a good assortment of Groceries and Provisions at prices as low as at any other place in Owego. Mr. Maloney is also agent for the Inman and National lines of steamers. In his card you may see a picture of the ship that brought him over.

Mrs. M. J. Crandall, proprietor of City Laundry and Dress Making Emporium, Central Avenue, Owego, N. Y., is prepared to wash and do up the soiled linen of our patrons in a manner to suit the most fastidious. In the line of Dress Making, we need only refer our readers to any of her numerous patrons, to convince them that Mrs. C. is no novice in the art of getting up ladies' neat and fashionable dresses and suits. Her card appears on page 362.

The Ahwaga Chief, published at Owego, by Horace A. Brooks, is comparatively a new candidate for public favor. Its publication was commenced February 23, 1872, and by referring to its card on page 374, it will be seen that it has already secured quite a good circulation. In one item the *Chief* excels, viz:—Its Literary matter, a considerable amount of which is contributed; while at the same time its Local and Editorial columns are by no means deficient. We commend the *Chief* to our patrons as a good family paper.

M. B. Ferris, Spencer, N. Y., publishes a card on page 378, to which we would call the special attention of our readers. Mr. F. keeps a first-class country store, where Dry Goods, Groceries, Hats, Caps, Boots, Shoes, Hardware, Drugs, Medicines and everything usually found in such establishments, are disposed of at a small advance on cost. Mr. Ferris evidently intends that the wants of this community, as far as he can supply them, shall be fully satisfied. If you doubt it, call and inspect his establishment and you will be convinced of the truth of our statement.

F. M. Jewett, Spencer, N. Y., advertises on page 378. Mr. J. is prepared to do all kinds of Blacksmithing and Horseshoeing in a workmanlike manner. As a Horse-shoer his reputation is established. Mr. J. is also a Veterinary Surgeon of many years experience, and is quite competent to treat all the ills that horse flesh is heir to. Try him.

Chas. Stuart, 43 Washington Street, Binghamton, N. Y., prints a card on page 378. He keeps on hand a large assortment of Guns, Pistols and sporting articles generally. Call on him when you want anything in his line.

Geo. W. Barton, 23 Main Street, Owego, N. Y., manufactures Cigars of a superior quality and deals in articles pertaining to the wholesale and retail Tobacco trade. If you will use the *weed* we advise you to patronize Mr. Barton. Card on page 374.

Wm. Murray, proprietor of the Central House, Candor, Tioga Co., N. Y., prints his card on page 330. The Central House, under his management, is meeting the wants of this community in such a manner as to convince all its patrons that Mr. M. "can keep a hotel." A good Livery is connected with the house, where fine horses and carriages can always be had at moderate rates. Those traveling this way will find a *home* with Mr. Murray.

F. H. Stephens, Bookseller &c., 52 Court St., Binghamton, N. Y., prints a card on page 310. Mr. S. keeps a fine assortment of everything in the Book and Stationary line, also a good selection of Paper Hangings. Don't fail to call and see his stock. It will pay you.

The Binghamton Democrat, (Daily and Weekly,) published at Binghamton, by W. S. & G. L. Lawyer, are Democratic journals of no ordinary merit. The Daily is now in its fourth year of publication, and both papers enjoy a good circulation; the latter fact, business men should make a note of. Job Printing is here done at very moderate rates. See card, page 276.

John D. Swart, House, Ornamental and Carriage Painter, Paper Hanger &c., at Candor, prints an illustrated card on page 330. Mr. Swart is prepared to do all kinds of work pertaining to his trade in a manner which will prove satisfactory to his patrons. Being a first class mechanic himself, his work is always well executed. We have no hesitation in commending Mr. Swart to the favorable notice of our patrons.

F. A. Chandler & Son, Carriage makers, Union, N. Y., print a card on page 276. Messrs. C. select their materials with great care and employ first-class workmen; consequently their work is of a substantial character. They pay particular attention to Carriage Painting.

Abner A. Haskin, at Wilseyville, prints a card on page 342. Mr. H. keeps a store well stocked with a large and varied assortment of all goods required for a country trade. He is an honorable, fair dealing man, and bound not to be undersold. Try him once and you will call again.

We have much pleasure in calling public attention to the advertisement of **Ketchum's Hotel**, on page 244. Few, if any, country hotels can bear favorable comparison with this establishment. In the specialty of Horses, Messrs. Ketchum & Hathaway have earned for themselves a wide-spread and well-merited reputation for honorable dealing, and buyers would do well to give them a call before purchasing elsewhere.

D. C. McGraw, successor to Mills & McGraw, Florist, proprietor of Riverside Gardens, a half mile east of the Water Works, Binghamton, N. Y., advertises on page 268. These Gardens embrace all kinds of Plants, Bulbs, Trees, Ornamental Shrubs, Seeds &c. Persons interested in the culture of Plants and who have pleasure grounds to ornament, will find it for their advantage to order of Mr. McGraw, as he will be able to fill the entire orders of his customers. Visitors are always welcome.

J. E. Bennett, dealer in Dry Goods, Groceries, Hats, Caps, Boots, Shoes, Crockery &c., and all goods usually kept in a first-class country store, advertises on page 248. Mr. Bennett is located in the thriving village of Windsor, Broome Co., and judging from appearances he thoroughly understands the wants of the community and is determined that no one shall be compelled to go out of town for good goods at low prices. We commend him to the patronage of all interested, feeling assured that they will find what they want here at as low prices as at any other store.

The Tioga County Record, published at Owego, N. Y., by C. H. Keeler, is advertised on page 362. The *Record* is a 28 column paper, neatly printed, neutral in politics, and is an interesting local family paper. Although it is only in its second year, its management has drawn to it a very creditable circulation. The Job facilities of the office are ample, and the prices as low as any. Long may the *Record* wave.

Alonzo Roberson, Binghamton, N. Y., wholesale and retail Lumber Dealer, advertises on page 342. Mr. R. is doing an extensive business in the Lumber line and fills all orders promptly at reasonable rates. Try him.

H. D. Heath, dealer in Hardware, Stoves, Tinware, Agricultural Implements &c., Candor, N. Y., advertises on page 326. He keeps on hand a good assortment of the best Stoves in the market, which he is selling at prices to suit the times. His stock of Hardware, Tinware, Agricultural Implements, Pumps &c., is very complete. In short everything pertaining to the above lines may be found at the Candor Hardware Store.

Wm. Wayman's Harness Shop, at Nichols, Tioga County, N. Y., is the center of attraction for all those who wish to dress their horses out in the best style. Mr. Wayman has one of the handsomest harness shops to be found in this section of the country, and he keeps it well stocked with as good a selection of goods in his line to be found in any country place. He has had an experience of thirty years in the business, and employing the most skilled workmen and using only the best oak-tanned leather, he is enabled to get up anything in the harness line equal to the best. His prices too are so low that every one who owns a horse can afford to have a good harness. Good clothing is as important for a horse as a man. He also keeps a good variety of Saddles, Trunks, Valises, Whips, Blankets, Robes &c., which he sells cheap as the cheapest. Let those who want anything in his line call on him. He publishes an attractive card on page 6, facing the Introduction.

Milton Cresson's Livery, Exchange and Boarding Stable, Carroll Street, Binghamton, is advertised on page 244. Pleasure or business parties will here find a supply of good Horses and Carriages at all times and at moderate rates. Horses boarded by the day or week. We commend Mr. C. to those wanting anything in the Livery line.

Stowell & Carpenter, Boot and Shoe dealers, Waverly, N. Y., advertise on page 398. A good *booting*, such as the above gentlemen can inflict, is more of a pleasure than a punishment, as many a victim is ready to testify. Those fine hand-sewed Boots and Shoes for which Messrs. S. & C. have the exclusive sale, are *just the thing*. If you don't believe it try a pair. They make ladies' fine shoes a specialty.

The Daily Republican, Broome Weekly Republican, and Binghamton Standard, (semi-weekly,) published at Binghamton, N. Y., by Mallette & Reid, are advertised on page 268. These are old established journals, ably edited and worthy champions of the cause of the Republican party. Their large circulation makes them an excellent advertising medium, of which fact business men are not slow to take advantage. Book and Job Printing, in every style of the art, is also executed at this office.

L. W. Everett, proprietor of the Railroad Carriage Shop, Binghamton, N. Y., advertises on page 244. Mr. E. manufactures all styles of Carriages, Wagons and Sleighs, and uses only the best timber and iron, which, being put together by first-class mechanics, is sure to give satisfaction. We commend Mr. E. and his work to the favor of our patrons.

Heath & Norton, manufacturers of Hand Rakes, Fork, Hoe and Broom Handles &c., Maine, N. Y., advertise on page 248. This firm do an extensive business in the above lines, as well as Wood Turning, Planing and Jobbing generally. They are good mechanics and always give satisfaction. Try them.

S. Mills Ely, Canal Street, Binghamton, wholesale Grocer and Provision dealer, advertises on page 248. Mr. Ely keeps a good supply of everything in the above lines. He also keeps the celebrated Averill Chemical Paint, all colors, ready mixed for the brush, and deals in Wheeler, Melick & Co.'s Combined Threshers and Cleaners. Give him a call.

J. T. Smith, Windsor, N. Y., manufacturer and dealer in Plows, Cultivators, Corn Plows &c., advertises on page 248. The implements of Mr. Smith's manufacture always give satisfaction, as those who have used them are ready to testify. Mr. S. also does custom and machine work to order. Call on him.

Stephen D. Green, Bingham's Mills, N. Y., keeps a choice assortment of Groceries, Provisions &c., to which we would call public attention. In the Boot and Shoe line also you can always get suited here, and if your *understanding* wants repairing, Mr. G. is the man to do it. See card on page 394.

Geo. H. Smith, manufacturer and dealer in Looking Glasses, Picture Frames, Chromos &c., at 101 Court Street, Binghamton, keeps on hand at all times a splendid assortment of goods from which the most fastidious customer cannot fail to find a choice. While visiting his store we priced several of his articles and were struck at the cheap rates at which he offered them. We advise the citizens of Broome and Tioga Counties to call on Mr. Smith for new goods in his line, or for repairing and re-gilding of old frames &c. He advertises on page 314.

The Owego Times, published at Owego by Wm. Smyth, is a sterling family newspaper which for twenty years has proved a welcome visitor at the homes and firesides of a large number of patrons. Its columns, editorial, local and miscellaneous are well sustained, exhibiting carefulness and attention in the management of the several departments. A good Job office is connected with the establishment. See card on page 326.

L. G. Beecher, of 72 Court Street, Binghamton, is now engaged in taking a picture on page 342 of this book. He has had extensive experience and his Photographs are pronounced excellent. Let those who would see themselves as others see them, repair to his gallery and "secure the shadow ere the substance fades." Miss Ella Wood, the *artiste*, is engaged in this Gallery.

W. D. Russell, makes his headquarters at 89 Court St., Binghamton, and employs his time and talents in making converts and customers for the *musical* Sewing Machine. Some people call it the "*Singer*," and isn't a Singer musical? It has been supposed by some people that this is one of the most popular machines in the country, but the *absurdity of the idea* will be apparent to all on hearing that the *actual sales* of these machines in 1871 was only the trifling number of 181,260, which was only about 50,000 more than the sales of any other machine. This machine has been too long in the market and is too well known to require comment or praise from us. It has stood the test for years and has more friends today than ever before. Mr. Russell has engaged a lady to sit on page 294, where she may be seen now busily sewing.

L. D. Witherill, proprietor of the Eagle Drug Store, Union, N. Y., advertises on foot lines between pages 260 and 277. Mr. W. is at all times prepared to supply his customers with the best quality of Drugs, Medicines, Paints, Oils, Perfumeries, Toilet Articles, Dye Stuffs, Glass &c., to be found in the market, and at as reasonable rates as they can be procured anywhere in the country. Give him a call and you will be convinced of the truth of our statement.

P. W. Partell, makes nice Bread, Crackers, Cakes, Pies, &c., every day, at No. 8 Court St., Binghamton. Leave your orders there if you want to be well served. He is now busy at work on page 310.

S. W. Barrett, dealer in Jewelry, Watches, Silver and Plated Goods, Music and Musical Instruments, at No. 60 Court St., Binghamton, can show his customers as fine an assortment of goods in his line as may be found anywhere outside the large cities. His goods are selected with taste, bought low for cash and will be sold at bottom figures. Call and see if what we say is not true. His store is new and so are his goods. See advertisement on foot lines.

* As it is not convenient to give the decimal expressing the exact rate per cent., when the remaining fraction is less than one-half, we have made use of the plus sign to indicate that the true rate per cent. is greater than that expressed; and when the remaining fraction is greater than one-half, one has been added to the integer, and the minus sign used to indicate that the true rate per cent. is greater than the number by which it is expressed.

† Binghamton City was incorporated April 9, 1867, and the indicated increase represents the increase in the population of the city and town combined.

The Waverly Enterprise, published at Waverly, N. Y., by Frank T. Scudder, is advertised on page 398. This excellent local paper is as enterprising as its title signifies, and is worthy of the liberal support accorded to it by its numerous patrons. The Job Department of this office is very complete, the facilities for doing all kinds of Job Printing being equal to any in the County. As an advertising medium this journal has merits which business men should not overlook.

Crocker & Ogden, dealers in Hardware, Carriage Goods, Mechanics' Tools &c., at 91 Court St., Binghamton, are prepared to supply all who are in want of their kind of goods, from the best lines the market affords and at as reasonable prices. This firm makes Carriage Goods and Mechanics' Tools, specialties. Their stock is very large at all times. Our readers will study their own interests by calling on this firm when in-town. Their advertisement may be found in various marginal lines.

George Van Wormer, manufacturer of Harness, and dealer in Horse Goods of all kinds, advertises on page 276. Mr. Van Wormer's shop is new and well stocked. We assure our friends that no where else can they be better suited. Call and see him at No. 61 Court Street, Binghamton.

Alfred White, Ornamental Confectioner and Fancy Cake Baker, at No. 99 Court St., Binghamton, publishes an illustrated card on page 374. Mr. White has had long experience in this line of business, his place is always clean and neat and it is a real pleasure to visit his rooms to see the array of nice things, even if one is not in want of his goods. Call and see for yourselves, if you are proof against temptation.

E. Ayers, Undertaker, at 86 Washington Street, Binghamton, has had eight years experience at his profession. He keeps a splendid hearse and is prepared to furnish all kinds of goods in his line at lowest prices and on short notice. Card on page 212.

The Union Weekly News is published at Union, Broome County, every Friday, by Mose B. Robbins. It is an independent sheet, ably managed, neatly printed and enjoying an extended circulation. The Job Department has good facilities for doing Book and Job Work with neatness and dispatch. See card on page 310.

The Buckeye Mowing and Reaping Machines.—When the great U. S. Trial of Mowers and Reapers was held at Syracuse in 1857, this admirable machine, which had just been brought out, surprised everybody by its novelty and many excellencies, and won the highest awards. At that time the valuable patents under which it was built were secured for several States by the enterprising firm which now continues its manufacture, Adriance, Platt & Co. At the second great trial of Mowers and Reapers, made by the N. Y. State Agricultural Society in 1866, the Buckeye again carried off the highest honors, showing that in the years intervening it had not gone backward in the race for superiority. Every new suggestion is thoroughly weighed, *improvements* only are adopted. The verdict of the people is nearly as unanimous as that of the learned and practical committees who made these awards, for its sales far exceed those of any other machine in the sections supplied by Adriance, Platt & Co. In fact they increase so *fast*, that the demand is almost always in excess of the supply. The Self-Raking Attachment on the Buckeye Machine has met with a success corresponding to that of the Mower, and has surpassed all others in the perfection of its operation. One great secret of the success of Adriance, Platt & Co., as manufacturers, has been in the conscientious manner in which they have built their machines, and the great durability of the Buckeye machine has been largely due to the excellence of the material used and the mechanical perfection of the workmanship. See advertisement on Map.

Oliver W. Sears sells Books, Newspapers, Stationery, Wall Paper, Croquet Goods &c., at 56 Court Street, Binghamton. Mr. Sears is a young man just entering upon the race for business fame. He has had the best of tutelage however in the business at which he is engaged, and is and will be at all times prepared to furnish his friends and customers with the *latest news*, most popular books, or anything else in his line at the lowest prices. See his advertisement on page 204 and on margins.

Jefferson Bingham, Bingham's Mills, N. Y., in a card on page 394, calls attention to the fact that he deals in all kinds of Lumber, also Cayuga Plaster. Mr. B. we are assured, is a man who will do just what he advertises. His terms are as reasonable as can be had anywhere.
