WATERLOO VILLAGE.

WATERLOO was incorporated April 9, 1824, and is therefore already a venerable town. It is a station on the N. Y. C. R. R., and on the Seneca Canal. It is noted as a manufacturing village, and is the half shire of Seneca County. South Waterloo, constituting the First ward of the village of Waterloo, lies wholly in Fayette.

THE GREAT HIGHWAY

—AND—

Favorite Route for Fashionable Pleasure Travel.

THE ONLY ALL-RAIL ROUTE

To the Thousand Islands

“The Loveliest River Resort in the World.”

**Route of the Superb “Niagara Falls
and Thousand Islands Club Train.”**

The R., W. & O. R. R. is leased in perpetuity to the New York Central & Hudson River Railroad. The Lessee Company has expended more than one million dollars in permanent improvements and betterments, relaying the railway with the heaviest steel rails used north of the trunk lines; renewing and re-ballasting the road-bed, increasing the number of ties per mile, replacing the bridges with heavier new ones of steel and iron, and making various other improvements on the R., W. & O. system.

Standard locomotives capable of hauling the heaviest passenger trains at high speed have been added to the motive power, and sumptuous new coaches to the passenger equipment.

Solid Vestibule Trains to and from the Thousand Islands,

Stopping only at principal cities and making the following very fast time:

NEW YORK 8 hours, ALBANY 5 hours, UTICA 3 hours, NIAGARA FALLS 8½ hours, BUFFALO 8 hours, ROCHESTER 6½ hours, SYRACUSE 3 hours, connecting with the fast Express and Limited trains to and from Chicago, St. Louis, Cincinnati, Detroit, Toledo, Pittsburg, Cleveland and the West, also with Boston and New England points.

Thirteen Express trains week days, and five Express trains, Sundays, run in and out of Clayton (Thousand Islands). Fast trains run to and from the West expressly to avoid the slow lake trip with its many discomforts, and to enable tourists and pleasure seekers to enjoy among the Thousand Islands the time thus gained (from 4 to 12 hours), which otherwise would be consumed in an uncertain and uninteresting lake passage.

Wagner Vestibule Newest Buffet Sleeping and Drawing Room Cars

on all Through trains. All trains connect at Clayton with Thousand Island Steamboat Company for all places in the Thousand Island region. Connection is also made at Clayton with Richelieu & Ontario Navigation Co. steamers for Montreal, Quebec, the River Saguenay, etc., passing all of the Thousand Islands and Rapids of the River St. Lawrence by daylight.

The Rome, Watertown & Ogdensburg R. R. is the GREAT TOURIST ROUTE to all places on the St. Lawrence River, all Canadian Resorts, the Adirondack Mountains, Green Mountains, White Mountains and Sea Coast Resorts.

Wagner Buffet Sleeping Cars run by this route between Chicago and Portland, Maine, passing through the celebrated White Mountain Notch by daylight, and stopping directly in front of the principal hotels in the White Mountain region.
