# JOHN NORTHRUP,

MANUFACTURER OF

## DOUBLE FRAMED, SPIRAL SPRING BED, WITH MATTRASS ATTACHED.

I claim that it is the best bed in use, and will call your attention to a few of its excellencies :

1st. It is Lighter. 2nd. It is Stronger. 3rd. The Frame itself is a spring, so that you have the benefit of the spiral to the extreme edge. 4th. It is cheaper; the Mattrass attached forms a perfect bed and bolster, ready for the sheets. This cannot be said of any other bed made.

I upholster with Hair, Moss, and Tow.

ALSO, AGENT FOR

**The Singer Manufacturing Co.'s Sewing Machines,**  
More manufactured and sold than any other machine in the market. Lock stitch, and always gives satisfaction.

finished in the highest style of the art. Having increased by the addition of machinery for polishing, the expense in this department is reduced, together with the fact that I employ none but the most skillful workmen in the various branches, places me on a footing with which there can be no successful competition.

My long experience in this business will bear witness to the soundness of my judgment of the quality of stock and execution. I can assure you I will spare no pains in filling the orders of any customer.

I have more than a thousand different Designs of Gravestones. I will accept original designs when I do not have any suitable customers, so that the most fastidious minds may be satisfied.
