The only Temperance Paper in Tompkins Co.

The Weekly Ithacan

Is an uncompromising enemy of the Liquor Traffic in all its forms, and advises its readers—who have at heart the love of Liberty, Humanity and Country—to war with the drink nuisance to extermination, through the People's only practical medium, the Ballot-Box.

THE WEEKLY ITHACAN

Is also a first class family newspaper, and is everywhere a favorite. Great care is given to the Literary and Miscellany department, and every number contains a thorough digest of news, both foreign and domestic.

The New York Markets

are also made a specialty, of which it publishes a fuller and more reliable report than any other paper in Tompkins County. Being a thoroughly attractive and

READABLE PAPER,

it has attained an unequalled circulation, making it eminently the

BEST ADVERTISING MEDIUM

in the County. Every temperance man should be a subscriber, and every business man a patron, for it pays to read and advertise in the ITHACAN.

Subscriptions only \$2.00 a Year.
