

# The Automatic Check Punch

The Only Machine Ever PURCHASED or ENDORSED  
BY THE  
UNITED STATES TREASURY DEP'T,  
WHICH SAYS

"Cutting the figures ENTIRELY OUT is the only perfect  
protection against alteration."

**OVER 15,000 MACHINES ACTUALLY IN USE.**

**\$50,000 000** obtained in the last 12 years on altered or raised  
Checks, Drafts, Bonds, Stock-Certificates, Notes, Re-  
ceipts, Money Orders, Vouchers, Warehouse  
Receipts, Bills of Lading, Etc., Etc.

The *New York Herald* of July 2d, 3d, 6th, 7th, 10th, 11th and 14th, 1888, gives the names and addresses of men, high in the social and business community in which they lived, who obtained by fraud during the years 1878 to 1888, nearly \$71,000,000. About \$31,000,000 of this sum was obtained on raised monetary paper.

No mention is made of any raised sum amounting to less than \$2,000.

Professional check raisers are not included in this statement.

The *N. Y. Herald* makes the following comment: "In every one of these instances the criminal was either a trusted employee, a confidential book-keeper or clerk, a trustee, or some one in whose honesty every one had full and implicit confidence."

Machines may be Ordered Subject to Examination and Returned if not Satisfactory.
