## ANNOUNCEMENT

---

We herewith present to the public our ITHACA CITY DIRECTORY for 1899 trusting that it will meet with the customary approval of its patrons and friends

Although this was not our year for issuing a directory it was made necessary by the re-numbering of the city, as we would have practically been without a directory until next year had this not been issued.

The advertisers represent many of the leading business men and firms of the city, whom we cheerfully commend to the patronage of those under whose observation these pages may come.

While thanking our patrons and friends generally for their cordiality and liberality in seconding our efforts, we take occasion to express the hope that the information found in these pages may prove invaluable.

E. D. NORTON,  
GEO. HANFORD.
