# 34 Years is a Long Time!

That is the number of years we have spent gathering knowledge of Photography. Over 21 years in our studio in Ithaca.

All the latest ideas in Photography from a miniature to life size.

The Baby you cuddle in your arms today will be going to school tomorrow. Think of the many changes. Some of our customers have a sitting of baby every birthday, others every six months. Some keep a Kodak story by using a Kodak. **WE HAVE ALWAYS HAD SPLENDID SUCCES WITH MOST CHILDREN.** How long is it since you have had the whole family together?

Why not have a re-union some day soon and bring them all to our studio for a group Photograph.

## Putting the Out-of-the-way Business on the Main Street For a Few Dollars

The business that is up-stairs in some building or off the beaten trail can overcome its location—can put itself on the Main Street of Public Attention by advertising in the City Directory.

Your advertisement entitles you to be listed in heavy type under all of the classifications of your business in the new City Directory now being compiled. This makes your business **STAND OUT**. Thousands of people consult this buyers' guide every year.

Thus, for a very small sum you can be located on  
**The Main Street of your City Catalog**  
for a whole year.
