## Cooperative G. L. F. EXCHANGE

**L**OCATED in Ithaca is the executive office of the largest farmers' purchasing organization in this country, The G. L. F. Exchange.

The G. L. F. purchases and manufactures feed, seed, fertilizer, and other farm supplies for the farmers of the New York Milk Shed—New York, New Jersey and Northern Pennsylvania.

Also at Ithaca is the central office of the G. L. F. chain store system. These stores now retail G. L. F. farm supplies in twenty-six communities.

JANUARY, 1929

**LOCATION**—Ithaca, sometimes called in this section "Crown of Cayuga," and known far and wide as the home of Cornell University, is famous for three things: its wonderful setting at the head of Cayuga in the midst of the Finger Lakes; its culture and refined atmosphere in all circles of business and social life; its educational institutions. Located in the heart of western New York State, it is 247 miles to New York City, 404 to Boston, 675 to Chicago, 302 to Philadelphia, 37 to Elmira, 40 to Geneva, 20 to Cortland, 57 to Syracuse, 212 to Albany, 195 to Schenectady, 88 to Rochester. Area is 6 square miles.

Cayuga Lake and Stewart Park

**TOPOGRAPHY**—Many pages could be devoted to a description of Ithaca topographically. It is doubtful if any city in America has such a remarkable formation of level land, hills, cliffs, gorges and water falls, all this variety is so blended that it is almost inspiring to the visitor to pass from one spectacle to another. The view shown above is Ithaca's water front and lake, for a mile from the shore the land is level and contains the business section of the city, railroad yards and stations, etc.; the heights covered with beautiful homes, the extensive campus and buildings of Cornell University, some factories and even railroads which climb out of the city; the highlands of the city are gouged by great gorges beginning at the south with Buttermilk Falls Taughannock Falls and Creek; Coy's Glen, 3 miles in length; Cascadilla

Taughannock Falls

**Fall Creek Gorge**

**HISTORICAL** — Ithaca was first settled in 1789, this was ten years after the visit of a detachment of 200 men commanded by Col. Dearborn from the expeditionary force of Gen. Sullivan, on Sept. 23, 1779. These first white settlers founded Ithaca, named by Simon DeWitt in 1795. The Cayuga Indians, one of the Six Nations, preserve the legend of the Great Spirit placing his hand upon the earth to form this region of the Finger Lakes. Organized as a village in 1821. Incorporated as a city in 1888.

**The Library Tower**

**Enfield Falls**

**POPULATION**—The present population of Ithaca is 19,660. In 1925 the state census gave 18,948. In 1920 it was 17,004. 1910 was 14,802. 1900 was 13,130. 1890 was 11,072. There are at the present time 10,418 females and 9,242 males, about 90% native born with native stock predominating, about 5% colored. The student population of Ithaca is about 7,000 making a total population over 26,000. Growth last 8 years has been nearly 20 per cent.

**MERCANTILE**—Ithaca as a trading center of 50,000 people has stores that compare favorably

with cities much larger. Because of the University population and a community educated to want the best, the retail establishments carry merchandise equalling in variety and quality the stocks of stores in leading eastern cities. Wholesale houses distribute over a large territory. There are about 400 retail establishments, 15 wholesale, and about 275 professional offices. The merchants of Ithaca are noted for their service and courteous treatment which has done much to make Ithaca popular as a trading center for those living outside of the city.

**INDUSTRIAL**—Within and near Ithaca are many manufacturing plants which mark it as a city of industrial importance. The geological formations make possible the shipping of vast tonnages of salt from the three companies operating here. There are 30 industries employing about 1700, and producing products to the value of \$10,000,000 annually.

**Morse Industries**

Principal products are: firearms, chain belts, salt, cement, typewriters, calculating machines, machinery, steel chains, slot machines, electric clocks, sprockets, dairy products, portable houses, proprietary medicines, publications, signs, shirts, aeroplanes, motor engines, salt bags, automatic instruments, cigars, screens, drills, confectionery, photo engraving, lumber, tissue paper, etc. The surrounding country is rich in agriculture and adds much to the industrial stability of the city as a whole. The labor of Ithaca is intelligent above the ordinary and acquires skill quickly. Ithaca offers splendid opportunities to industries seeking intelligent labor, good surroundings, fine city facilities, good transportation, available sites, etc.

**FINANCIAL**—There are 6 financial institutions with total deposits of \$19,488,114.99. The savings banks deposits are \$7,728,134.37. The assessed valuation of the city is \$32,000,000. The per capita wealth is high.

**EDUCATIONAL**—Ithaca is the leading educational center of the state. There are 10 public schools and 1 paro-

Ithaca High School

chial school. The school enrollment is 3,572 with 165 teachers and administrative staff. Cornell University, which is one of the great universities of America is located on America's most beautiful campus overlooking the lower parts of the city and Lake Cayuga, which was founded in Ithaca

in 1865 by Ezra Cornell, it includes colleges of Arts and Sciences, Medicine, Law, Engineering, Architecture, the State Colleges of Agriculture, Veterinary Medicine, and Home Economics and a Graduate School, and schools of Forestry and of Hotel Management; occupies about 2400 acres of land and 60 buildings which with their equipment are valued at about \$13,000,000, while endowment adds about \$20,000,000 more to the resources of the institutions. The Ithaca Conservatory and its affiliated schools, The Ithaca School of Physical Education, The Williams School of Expression and Dramatic Art; The Martin Institute for Speech Correction; The Ithaca Institution of Public School Music; The Conway Military Band School; The Empire State School of Printing; The Empire State School of Engraving; The Cornell Tutoring School; The Cascadilla Tutoring School; The Edminster Preparatory School; The Practical Business School; The Educational Extension Service Co. Inc. There are four libraries as follows: Cornell Library is located in the heart of the business district and has an extensive service to the public; the Cornell University Library located on the campus and has 700,000 volumes and includes several special collections having international fame; the Tompkins County Bar Association Library, located in Ithaca Savings Bank Building; the Free Directory Library maintained by the H. A. Manning Co. in the Chamber of Commerce rooms in Ithaca Savings Bank Building.

**TRANSPORTATION**—Ithaca is served by the main line of the Lehigh Valley Railroad and also by 2 branch lines; the Ithaca and Owego Branch of the Delaware, Lackawanna & Western Railroad has a terminus here. The Ithaca Traction Corporation serves completely within the city limits. Bus lines operating from a municipal bus terminal on East Green street connect the city with Elmira, Watkins Glen, Binghamton, Cortland, Syracuse, Auburn, Seneca Falls etc. Ithaca is also the southern terminal of the New York State Barge Canal system and is provided with docking facilities

for boats operating on the canal. It is the nearest New York State port to the anthracite coal fields of Pennsylvania. The Ithaca Municipal Air Port is one of the oldest in the state, its development was started before the World War, it has been used for test flying for new planes for many years. Ithaca is the hub of a network of highways such as make New York State famous. These highways carry a very heavy traffic for business and pleasure and especially in tourist season. The attractions of the scenic wonders of this region are drawing more and more tourists each year. The auto truck freight service is growing.

**PARKS, PLAYGROUNDS AND POINTS OF INTEREST**—The natural topography of the land here makes the city

a natural park. There are three public parks within the city, the larger of which is located at the lake end of the city and has recreation and athletic facilities, also an extensive bathing beach on Lake Cayuga. The Cornell Campus is extensive and supplies a very beautiful park-like effect for the upper part of the city. The following scenic beauty spots in and not far from the city are: Buttermilk Creek and Cascade, Cascadilla Creek, Cayuga Lake, Coys Glen, Enfield Glen and Gorge, Fall Creek Gorge, Glen Springs, Ithaca Gorge, and Falls, Lick Brook, Point Lookout, Taughannock Gorge and Falls, Watkins Glen.\*

Ithaca Falls

**MISCELLANEOUS STATISTICS**—Ithaca has an aldermanic form of government. There are 55 miles of streets with 25 first class paved. The water works capacity is 350,000,000 gallons, with daily pump of 3,000,000 gallons. There is a good fire department with the volunteer system, there are 12 engines and hose and hook and ladder trucks. The police department has 1 station and 20 patrolmen. There are 13 churches, 12 hotels with about 500 rooms, the Chamber of Commerce has surveyed the entire city rooming accommodations for conventions and has available this information for all who require it; the dining service for conventions of any size is adequate, Ithaca is a convention city. There is 1 public and 1 private hospital with a total of 140 beds.

\*For more complete description see Index to contents.
