PUBLISHERS' NOTICE

The information in this directory is obtained as far as possible by actual canvass, compiled in a way to insure maximum accuracy. While the publishers will in no way be held responsible for any errors that may occur, they will be pleased to have any inaccuracies called to their attention, for correction in succeeding editions.

TO FIND A NAME YOU MUST KNOW HOW TO SPELL IT

There are many ways of spelling some names with practically the same pronunciation

When the name of a corporation, factory or firm appears immediately after the name, it indicates the place of business. After the name of a street, the word "Street" is omitted.

The post office address is given only when the same does not correspond with the name of the town.
