## You will. Will he?

Maybe you obey stop signs and signals. Some drivers don't. So never assume the right-of-way blindly. Protect yourself by driving defensively.

If someone follows you too close, don't speed up. Slow down a little and encourage him to pass. Remember, being in the right isn't enough. You could be dead right.

**Watch out for the other guy!**

Published to save lives in cooperation with The Advertising Council and the National Safety Council.

## Put your **FAITH** to work every day

There really never was a time when "once-a-week" religion was enough.

But today, in our swiftly moving world, the need is greater than ever to put your Faith to work—*all the time*.

Think of today's dismaying headlines. Then think of the many ways the world can be made better.

*"But I'm only one person,"* you say.

Yes, But your church or synagogue can become, *with your help*, a rallying point for change. By joining others who live their Faith, you are no longer alone in your beliefs.

Worship this week—and put your Faith to work all week long.

RELIGION IN AMERICAN LIFE

# WATCH OUT FOR THE OTHER GUY

Just being in the right isn't enough. Nearly half the drivers in fatal collisions are in the right. So keep an eye open for trouble at all times, from all sides. Drive defensively—as if your life depended on it. (It does.)
