YOUR CHAMBER OF COMMERCE

Too few realize that a Chamber of Commerce is nothing more than the reflective efforts of its civic spirited business and industrial memberships. These men and women are constantly striving to fulfill their obligation to the hometown and community. Composed strictly of volunteers, annual manhour contributions of Chamber members total far into the thousands. These services equal a cost factor with which few communities could cope. We ask you to join us in saluting the men and women who are striving to make TOMPKINS COUNTY "the place" in which to STAY LIVE WORK or PLAY; they are the members of your TOMPKINS COUNTY CHAMBER OF COMMERCE.

Come live the good life!

Good things start at the Trust Company

There's no denying the fact that the best things in life are free. But many of the good things involve money - - money that's saved, money that's borrowed, money that's spent to make the good things happen in your life.

When we look at how people handle their money at the Trust Company we see that most people use pretty good judgment. They save, they spend and they borrow wisely,

with their total money management picture always in mind. For these people good things start at the Trust Company. It can happen for you, too.

A home of your own, a new car, a vacation, tuition for youngsters, insurance protection, a new kitchen - - whatever good thing is in your future, whether you save for it or borrow for it, it can start at the Trust Company. Let's talk about it.
