MY TOWN

My town is the place where my home is founded, where my business is situated, where my vote is cast, where my children are educated, where my neighbors dwell, and where my life is chiefly lived. My town has a right to my civic loyalty. It supports me and I must support it. My own town wants my citizenship, not my partisanship, friendship, not selfishness, cooperation, not dissention, sympathy, not criticism, intelligent support, not indifference. My town supplies me with law and order, trade, friends, education, recreation, morals, and the rights of a freeborn American. Therefore, I should believe in my town and work for it.
